I recommend that our library subscribe to the following electronic resource:

## Encyclopedia of American Studies

Editor: Simon Bronner, *Pennsylvania State University, Harrisburg*

Under sponsorship of the American Studies Association (ASA).  
Updated and expanded regularly.

Please visit <http://eas-ref.press.jhu.edu> for more information.

### Important uses of *Encyclopedia of American Studies* would include:

- REFERENCE:** For current research articles as I find them through citations in related journals or books.
- STUDENT READING:** I plan to scan the contents of new articles regularly to add to my students' reading lists.
- PUBLICATION OUTLET:** My current research requires a publication outlet in this area. I need this online resource to keep up to date with its editorial direction and interests.
- PREDICTED BENEFIT FOR LIBRARY:** My evaluation of this resource's content and direction is very high and it is cited and/or indexed heavily. Including this tool in our library will, in my assessment, add to the library's success in fulfilling overall department, faculty, and student needs.
- PERSONAL AFFILIATION & DISSEMINATION:** I regularly use this resource and will be recommending articles on a regular basis to students and colleagues. The library's help in providing this material is most appreciated.
